### What is it about a Yearbook?

It seems that it is a book which sits timelessly on a shelf at home and holds a significant segment of one's life - even though one only opens the covers occasionally!

There is little doubt that a school Yearbook fills an interesting role in capturing the life of a school. It is a repository or record of an academic year, and within its cover this year you will find a record of 862 student superheroes and 127 staff superheroes, who all share various experiences, memories and relationships. The snapshots held within the book are what will drive students, staff and parents to look back and revisit this period in their lives.

Sports days, Duke of Edinburgh expeditions, Endeavour, Spirit of Bermuda voyages, overseas trips, local field trips, outdoor play, marine science, STEM, school clubs, drama productions, music concerts, prize-giving ceremonies, the Valedictory Ceremony, sports fixtures - the very long list continues. These are formative memories of your time at Warwick Academy, and all it takes is a photo prompt to jog the memory and those moments come flooding back.

Our #trusttheprocess theme this year proved an apt one, encouraging support for our educational philosophy and the approaches we have in delivering the curriculum, supporting relationships through our pastoral pillar, and encouraging participation through the very broad range of co-curriculars we offer.

At our graduation ceremony it was The Honourable Chief Justice Mr. Larry Mussenden who, as our guest speaker, shared memories of his schooling and advice for the Year 13s.

We are grateful for WAPTA and their engagement both in terms of bringing our school community together with their many events, and for fundraising for those extras we believe will enhance the learning experiences of all.

I thank our staff for their continued efforts this year to make Warwick Academy a special place.

To our parents, thank you for your unwavering support of what we do, and to those parents who volunteered in one or more capacities, your time and efforts are appreciated.

To all our students, well done on completing another year at WA - you are our superheroes, and as with the theme of this edition, do enjoy looking back at the things you were involved in and the memories you made.

Finally, we wish our graduating superheroes the very best next year, and we trust that you will stay connected with Warwick Academy in future years.

Bring on next year!

Quo Non Ascendam!

Dave Horan

Welcome to the Primary section of the Yearbook. This year really did see a return to the Warwick Academy we remembered from before Covid.

We hit the ground running in September, and some of the highlights of Term 1 were the Upper Primary inter-house cross country events in November and in December our Lower Primary Winter concert where our Reception, Year 1, Year 2 and Year 3 children sang their hearts out and Year 3 students enjoyed the opportunity to perform in 'Santa's Setbacks'.

This year for our Theme Day we focused on Maths and had lots of fun. In October our Year 1 and 2 children were able to attend the Halloween Party after school, and Reception enjoyed their Fall Festival. To top off this busy term, in December we had our holiday poetry competition and class parties, and our choir sang beautifully at the Great Bermuda Christmas Carol-off.

In Term 2 sports events ramped up with the Front Street Mile, netball tournament, inter-school cross country meet and all-star netball and football games, all keeping our keen sports boys and girls busy. We enjoyed our annual cake raffle, with an amazing response from our parents when it came to contributing some delicious cakes to this fundraiser. February saw our Valentine's party for Year 3 and 4 students, and our Year 5 and 6 students had their first school dance (organized by a keen group of Year 6 girls). Our Upper Primary production of 'Star Warts: The Umpire Strikes Back' and our Upper Primary music concert demonstrated how much artistic talent we have out there. In March our Year 6 students were able to take on the Pi Day challenge, and we rounded the term off with our iconic Easter Competition and Kite Flying afternoon.

The final term of the year did not disappoint. International Day was full of colour, and it was wonderful to take a moment to celebrate the many cultural backgrounds of our Warwick Academy family. The student-led assembly on the day was quite outstanding. At the end of April we had the greatest number of participants to date at our WA Fun Run and Walk. In May the focus was on mental health, and the Student Council ran a Silly Sock Day for the first time. We enjoyed sports days with all age groups, and our older students took part in inter-school track and field competitions. Our final internal sports event was our Upper Primary swim meet, and it was a lovely way to round off sports competition for the school year. The end of the year saw Swaparoo Day (when all children get to meet their classmates and teachers for the next year), Party Day, the Year 6 camping trip and Year 6 Celebration Assembly, all fitting ways to close this academic year and get ready for the next.

An important part of educating children today is helping them understand that there are people facing different challenges in our community and across the world, and to consider how we can play a role in making a difference. During this past year we have been able to support many charities through a number of charity drives and charity grub days. In Primary some of the charities we have supported include PALS, Bermuda Diabetes Association, Open Airways, Plan International, Dame Marjory Bean Hope Academy, It takes a Village, Toys for Tots and Bermuda Is Love. Our wonderful WAPTA volunteers also supported the charity St Baldrick's by holding a WA shave-off event, and this was on top of all the fabulous events they ran during the year to raise money for the school.

There is much to celebrate this year, and the next few pages give just a snapshot of what has been a fantastic whirlwind of a school year. Please do enjoy, and thank you for your part in making it a year to remember.

Maria Woods  
Head of Primary

**Congratulations to our Year 6 students, the future class of 2031! As you move from Primary to Secondary School may your journey ahead be filled with courage, curiosity, and the pursuit of your dreams.**

**- from all your Primary Teachers**

Follow us

@barrittsbda

John Barritt & Son

Congratulations to everyone on the completion of another school year!

As I sit here writing this message, I can't believe how quickly the school year has gone by! As the old saying goes: "Time flies when you are having fun!"

Within these pages, you will find reminders of the extraordinary that happens at Warwick Academy on a daily basis. When I walk around campus, I am amazed to see just how much goes on, both inside and outside classrooms. We have had a multitude of successes in the areas of academics, arts, community service, music and sports, not to mention all the other activities and trips which have taken place. There is not enough space here to list them all!

These many successes do not come without a lot of time and effort on the part of students, parents and teachers. These relationships are the bedrock of Warwick Academy!

Congratulations to the graduating class of 2024. We are proud of every single one of you. As you continue through life, reflect on your past accomplishments and successes, and keep striving to achieve the goals you have set. We expect to hear great things about you in the future. Do stay in touch.

To the rest of the students: a big thank-you for all your contributions towards making this school year such a resounding success. Every single day, I have so many positive interactions with so many of you. You are the reason why we do this job. I hope each of you will take something positive away from this year and take time to reflect on how much you have grown.

A final and very big thank-you to the teachers. This school would not be the same without you. You are the superheroes who make the extraordinary happen every single day.

When you look through this Yearbook in the future, I am sure you will agree this has been a heroic year!

Mark Thorpe  
Head of Secondary

# SPORTS AWARDS

NETBALL | VOLLEYBALL | FOOTBALL

MVP MIP WBA

Our Secondary athletes who played netball, volleyball or football for the school in the BSSF competitions. The coaches shared a brief summary of their season, before presenting 3 awards to individuals on their team. The awards were for: Most Valuable Player, Most Improved Player and the Warwick Bear Award. The latter award focused on character, integrity, hard work and team spirit - everything we want from our athletes. It was a lovely evening and as a school we look forward to celebrating future successes in June. QUO NON ASCENDAM!

# High Performance Swim Programme

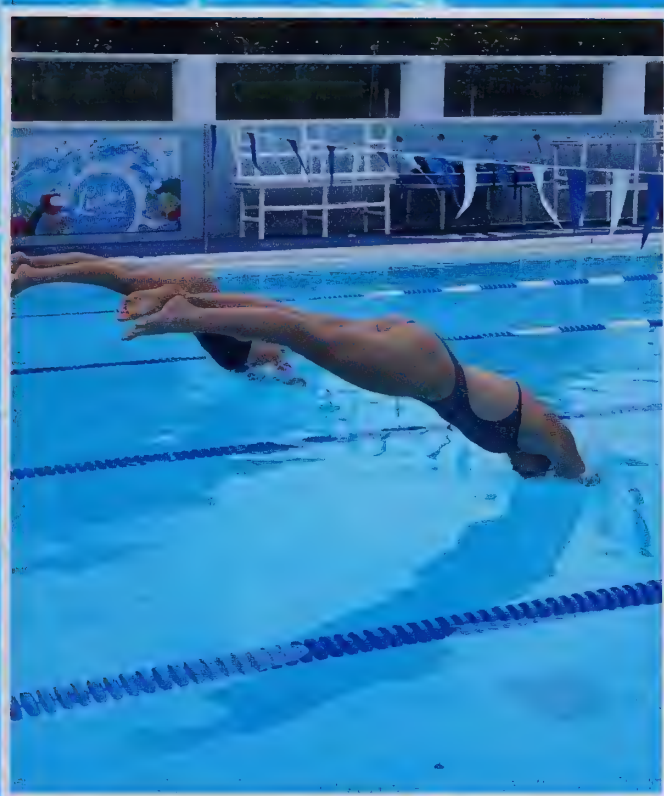

This has been an amazing year for the Warwick High Performance Swimming Programme lead by our three seniors Bella Howes, Adriana Argent and Daria Desmond. All three represented Bermuda at the Youth Commonwealth in August to start off this year. We have seen huge improvement from all swimmers and strong performances in Charlotte and at Easterns.

# PATTON

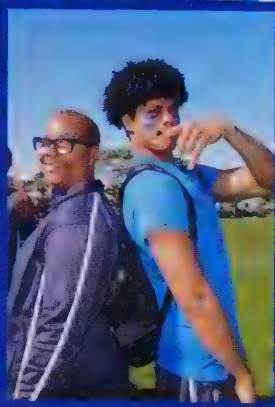

# RHODES

# ROBERTSON

BANG!

The Club was established in February 2024 by MUN student leaders, Moya and Lily. The MUN club fosters critical thinking and diplomacy in students through research, public speaking, and teamwork, members gain insight into international relations while honing their communication and leadership skills.

## MODEL UNITED NATIONS CLUB

## BADMINTON CLUB

## WEIGHT TRAINING CLUB

## UBUNTU MENTORING CLUB

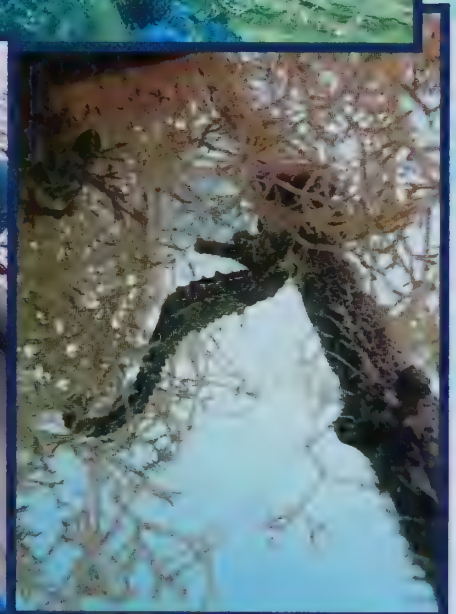

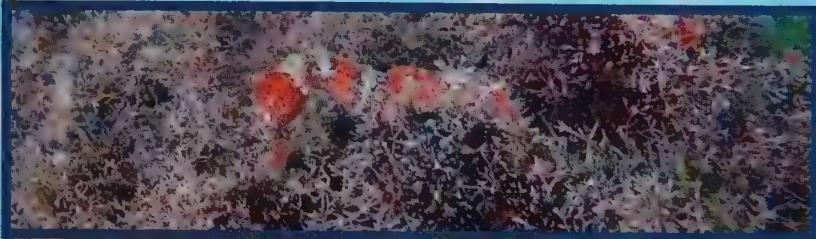

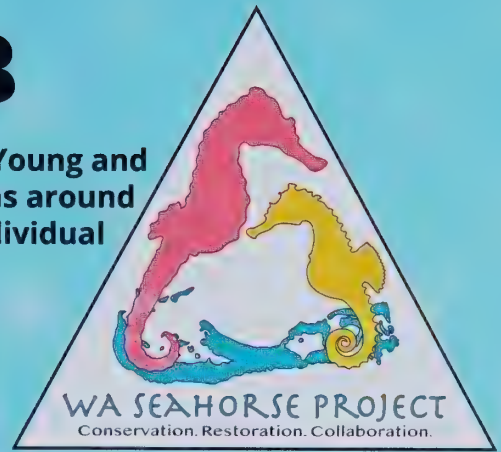

Mr. Lowery & Mr. Vickers created this club which focuses on 5 key pillars of development: self-knowledge, self-confidence, resilience, empathy and service. We engage the students via exciting activities and thought provoking conversations.

# SEAHORSE CLUB

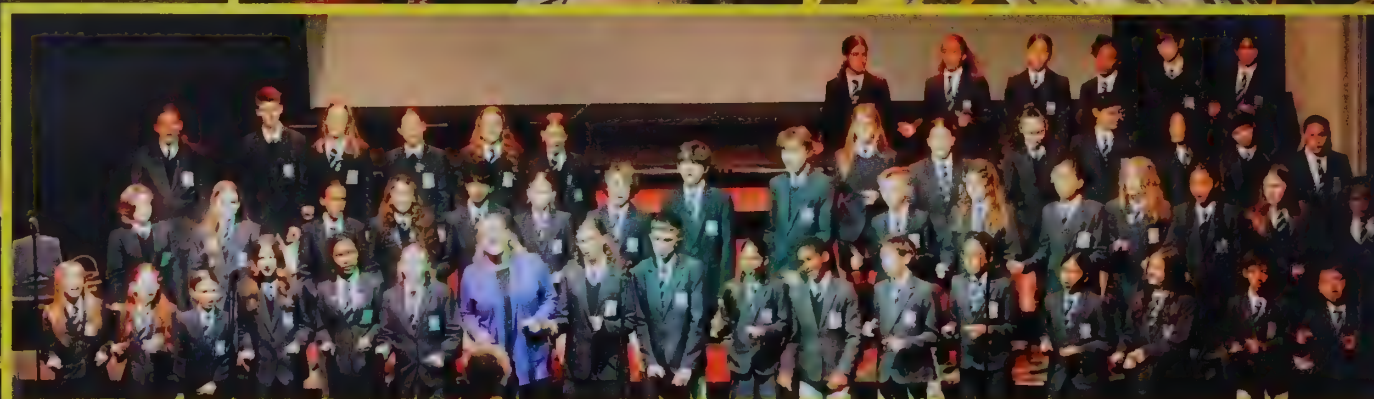

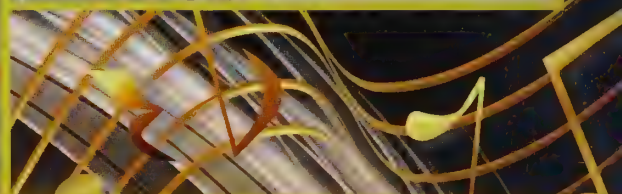

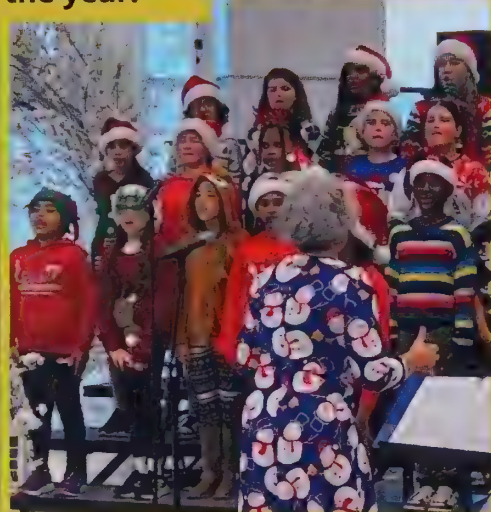

These students, along with adult volunteers, Jessica Young and Deanna Friesen, go out every Tuesday surveying areas around Bermuda - Rain or shine! We have found over 200 individual seahorses!

# Choir

The secondary choir is open to students from Middle School up to 6th Form. Their repertoire covers a variety of genres. Choir members rehearse weekly after school for performances that include the school's term concerts, as well as community events throughout the year.

# Human Rights Committee

The Human Rights committee attended various conferences and events such as International Women's Day and CURB's Racial Healing student conference.

A student lead group, they have raised awareness about various global Human Rights issues via school assembly, and posters. This year the focus was on a food drive in partnership with the charity Bermuda is Love, over 20 large boxes of food were collected!

The Black Affinity group was re-established so that Black students have a safe space to be their authentic selves amongst their peers.

# First Day of School

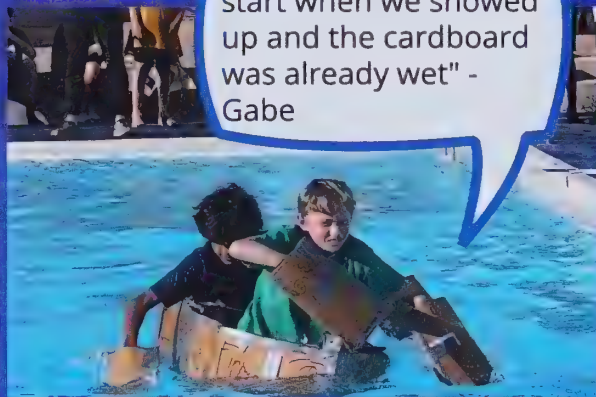

# Carboard Boat Challenge

"It wasn't really a great start when we showed up and the cardboard was already wet" - Gabe

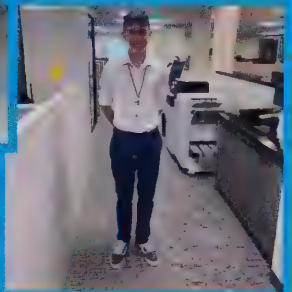

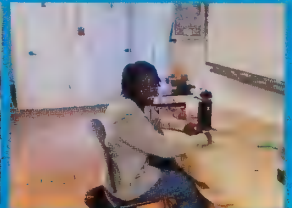

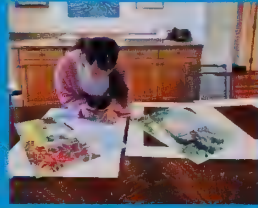

When I heard the boat name 'The Titanic that Didn't Sink' last year, I really thought they were jinxing themselves with such an optimistic name. But then they won the 25m WA challenge in a record 32 seconds. This year, they won the y9-12 50m category in 59 seconds. And now against all the odds, they have once again proven themselves unsinkable, with a very respectable time of 1 minute 4 seconds in a boat that was wet before they even began! Best part is, they are only in year 9 so they still have 3 more years to smash records.

I must be getting old, as the end of year seems to come round faster and faster every time. As normal, we have been going at break-neck speed through the three terms this year in order to fit everything in. The Barber Hall common room certainly felt a lot fuller in September with the in-flux of the new Y12s, but we soon got used to each other, even if we did tend to stay on our own side of the common room / bike parking area / kitchen. Once the Y13s left to do their exams, some of the Y12s even managed to venture out from the corner of the room (you could tell where they had been from the trail of trash – quite possibly the messiest year group ever). As always, the end

of the academic year does mean that it is time to say goodbye to our graduating class of 49 students. I wish the Class of 2024 all the best as they go into adult life and trust that they find some time to relax over the summer before they venture out to populate the higher educational institutions of the world. I am sure they will take many fond memories with them and have made friendships that will endure for years to come.

Throughout the year, the Sixth Form continued to be busy both with our own endeavors and as a part of the broader school community. We showed our school spirit in Barber Hall, not just during Spirit Week, but also by supporting the school fair, WAPTA bingo and helping out at whole school events. Christmas Karaoke lunchtimes, games of War, the Sixth Form lock-In, and the great Easter Egg hunt were just some of the things we got up to. Throughout the final term of the year, the new student leadership team and the rest of the Y12 student body have got fully stuck-in to Sixth Form life. We have had International Day, the Warwick Academy Fun Run, and seen students represent WA and Bermuda in basketball, football, volleyball, running and other sports. We have also been heavily involved in charity events that keep us fit: the End-to-End and Relay for Life. This year many Sixth Form students were involved with the school production *Oliver!*, both onstage and backstage. To finish the year, we have 12 students going on the university trip to Canada, having already taken 33 students to the UK for a similar trip in February. This was the largest group we have taken on this trip, and we even managed to keep hold of all our passports (unlike when Y13 went) so that will help prepare us nicely for what is to come in September and beyond.

My thanks go to the staff at Warwick Academy for their hard work, enthusiasm and dedication to the success of all our Sixth Form students. I would like to extend my thanks to Sara Jackson (Director of Sixth Form Studies); Shelly Grace (Assistant Head of Sixth Form); Stefanie Sinclair (IB DP/CP Core Coordinator); and our team of Sixth Form homeroom tutors for going the extra mile to ensure our students were successful, as well as for putting up with my many quirks and eccentricities. Special mention must go to Mr. Tim White who, after many years of service to Warwick Academy and specifically the Sixth Form in his role as a homeroom tutor, is heading back home to the delights of England's West Midlands (all the best people went to the University of Birmingham).

I hope that everyone has a great summer and that next year we can have an even broader spectrum of events in the Sixth Form to continue to make Warwick Academy so much more than just a place to learn.

Ralph Woods

Head of Sixth Form

**Dear Warwick Academy Students, Faculty and Staff,**

**As the 2023-2024 school year draws to a close, the Warwick Academy Yearbook Committee reflects on a whirlwind of memories captured throughout the year. From academic triumphs and athletic victories to the countless moments that make Warwick Academy special, we've documented it all!**

**This year's Yearbook wouldn't have been possible without the incredible contributions of our school community. Thank you to all the students who posed for photos, took part in clubs and events and shared their stories. Your participation is what truly brings the yearbook to life.**

**A special thanks to the faculty and staff who dedicated their time to capturing special moments throughout the year, from school trips to various sports games. Your support has been invaluable.**

**Many thanks,  
The Warwick Academy Yearbook Committee**
